

Children and Young People's Primary Mental Health Service

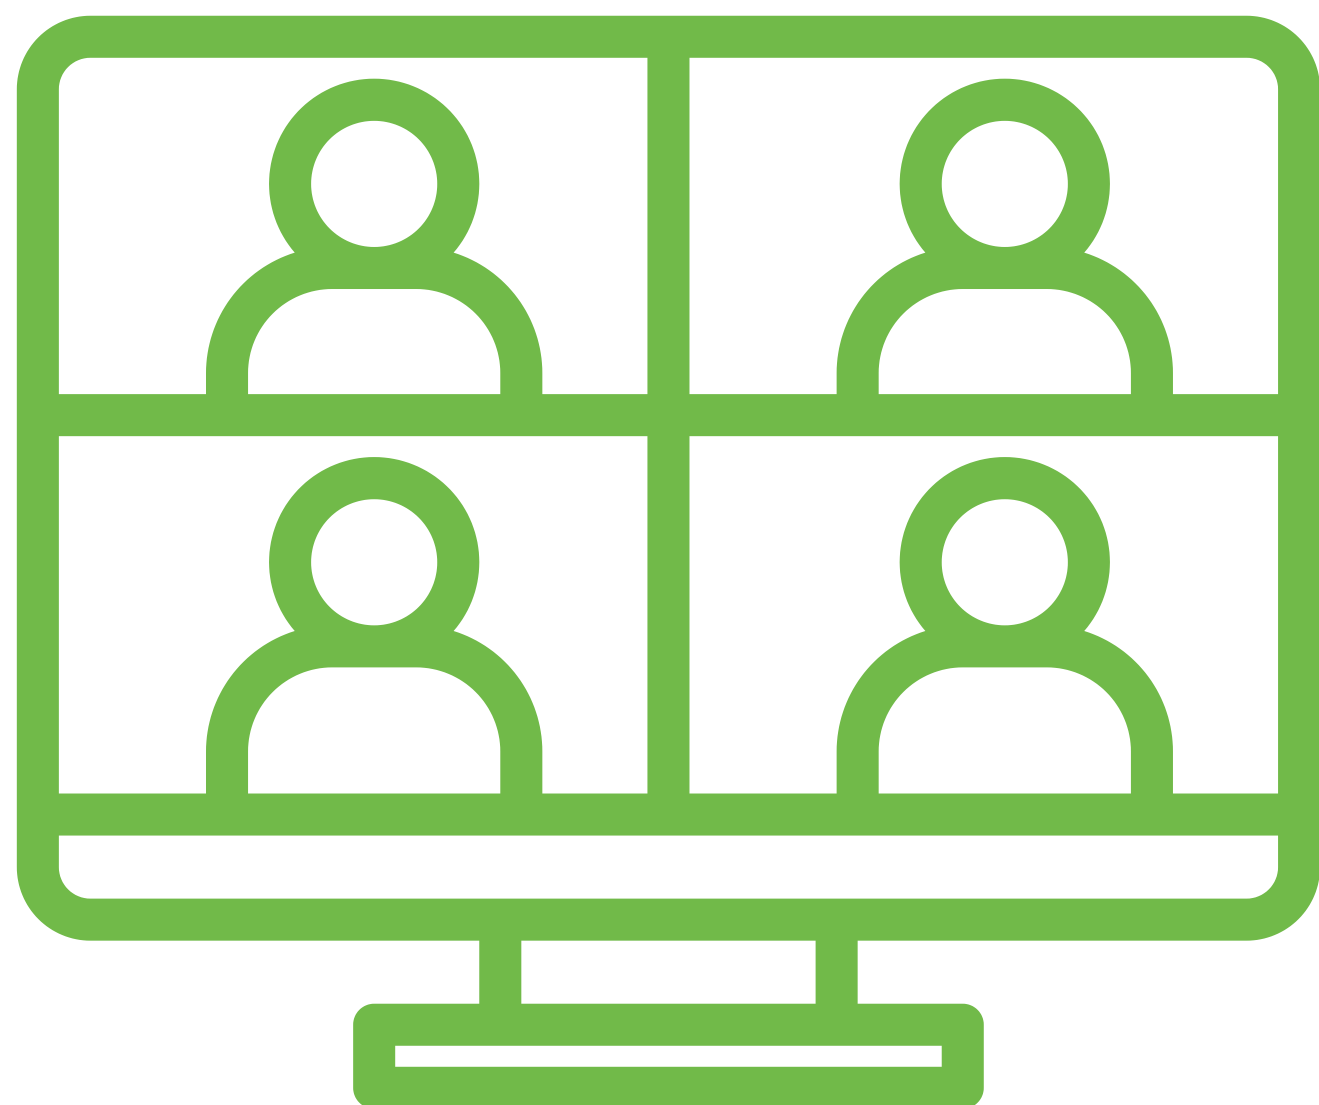

Blackpool PMHW Virtual Drop-Ins: Primary Mental Health Worker

Do you have concerns about a young person's emotional mental health development?

Do you need guidance on services available to support a young person's mental health ?

If the answer is **YES** then please come to one of the drop-ins to discuss your concerns. PMHWs are mental health practitioners who can offer advice for children, young people and their families on appropriate referrals, implement pathways of intervention and provide information about other services and areas of support.
