

Bispham Endowed CE Primary School – Early Years Foundation Stage (EYFS) Curriculum Overview

EYFS Curriculum Intent

We intend for all our children to feel loved, cared for and be able to reach their full potential to their own ability in our Christian family. Our EYFS curriculum is based on both knowledge and skills which progresses from nursery to reception. Our children will be independent, happy, motivated and curious learners. Our experienced and committed EYFS team will provide a foundation for children to flourish as individuals within the Bispham Family and wider community.

EYFS Curriculum Implementation

We will provide a range of inclusive and diverse opportunities linked to interests in a safe and respectful environment. Adults act as role models – showing the importance of mutual respect, demonstrating good communication and building solid foundations of trust and friendships. The children are at the heart of their curriculum and learning and together we are able to create a bespoke, relevant and exciting EYFS curriculum. We use the seasons and celebrations overview below as the structure that we are then able to add the interests and needs of the children and plan according to observations and assessments.

EYFS Curriculum Impact

By the time children move onto their next 'chapter' they have gained the tools to continue a successful learning journey across all subjects and skills.

Bispham Endowed CE Primary School – Early Years Foundation Stage (EYFS) Curriculum Overview
